

*SCIENTIFIC
LABORATORY
SUPPLIES*

**DELIVERING
PRECISELY
THE QUALITY
YOU NEED**

Nº1

The UK & Ireland's leading independent supplier of laboratory products

Here at SLS, we consider ourselves unique. That's because as the largest independent supplier of laboratory equipment, consumables and chemicals in the UK & Ireland, we source and supply the highest quality, best value products and brands. We provide precisely what you need, when you need it, whether you're searching for something specific or aiming to equip an entire laboratory. You can be sure our team will take care of you, providing a dedicated service that's moulded around you and your business.

IT'S IN OUR DNA

From pipettes and petri dishes to the latest in laboratory instrumentation, we pride ourselves on the quality of products and services we provide around the world. As well as our SLS Select, SLS Lab Basics, SLS Lab Pro and SLS Flowgen products, we are partnered with some of the world's most recognisable brands in science meaning **you'll find every brand you need all in one place**. Compared to other suppliers, our sales team offers three times the level of personal customer care, responding more quickly with a truly consistent, tailored service and we have been supporting the scientific industry for over 30 years. **However specific your needs, you can be sure we'll deliver.**

Biotechnology
